

## Summer Show, 15<sup>th</sup> June 2024

The Show was held on Site 2 on one of the wettest days this year – and we have had lots of those, which with the cold has delayed lots of crops. However, our judge was very impressed with the quality and quantity of what was presented to show.

The rain was mainly during set up and by the time the show started the sun came out and everyone had a nice afternoon.
